

Makes the food more delicious and wholesome

BOYAL BAKING FOWDER CO., HEW YORK.

#### SURVEY COMMENCED

For the Extension of the Brooksville Railroad to Johnson Junction.

[Augusta Chronicle.]

The engineer corps of the Cincinnati and Licking River Railroad Company began Monday morning the preliminary survey of the extension of the Brooksville railroad from Brooksville to Johnson Junction.

This is the line which is to absorb the Covington, Flemingsburg and Ashland Railway also and build through via Morehead or Salt Lick to West Liberty and the great coal deposits of Morgan County, bringing cheap coal and lumber to this town and other places along the line, and at the same time give the people of Fleming, Bath, Rowan and Morgan counties a direct outlet to Cincinnati and the great commercial world beyond. F. Hall.

The promoters of the new enterprise have abundant capital behind them and there is every indication that the extensions are sure to built. Mr. Y. Alexander, of Brooksville, is the new company's Vice President and General Manager and E. J. Hunter Secretary.

THE Limestone Fire Company has elected officers as follows for ensuing six months:

President-Charles D. Pearce. Vice President-Joseph Simons.

Secretary-M. B. Easton.

Chairman Standing Committee-R. V. Dryden, . Chief of Hose-Ed Kinney. Assistant Chief or Hose-J. W. Clinger. Messenger-George Pollitt.

For the purest Paris green, call at Ray's Postoffice Drugstore.

On Sunday, June 28th, the C. and O. will sell round trip tickets, Maysville to Oligo-Nunk, at rate of \$1. Train leaves Maysville at 10 a. m., returning leaves Oligo-Nunk at 5 p. m.

#### . SHELLROCK.

The crop of clover will be short in this section. Pastures are looking well and so are the old

Some of the farmers are complaining of the peaches falling off.

The oats crop will be short unless there is

plenty of rain from now on. School teachers are getting very numerous; there are more teachers than schools

The Smith Brothers have purchased a new to bacco setter, the only one in this neighborhood. We have had a fine tobacco season. A number of farmers finished setting their crop in Maysomething unusual.

John Bradford has been down bediast for the past four weeks, with very little change in his condition at this writing.

Witnesses have been summoned up here again, making about the forty-eleventh time, in that Moran and Higgips land suit. It's an outrage on the courts, the people and everybody else.

Mrs. Fannen and daughter, Miss Birtie, Misses Lucy and Ella Day met at the Plumville Church one day last week and made it shine like a silver dollar. Thanks to the good ladies.

Some of the folks think the "yaller" snake story was for a bluff to keep them out of the raspberry patch in the Crucy hollow. Well, we have given you fair warning. If you will go and get snake bit it will be your own fault.

We invited the people through the Maysville papers a few days ago to go to Plumville on Saturday night to the entertainment. Well, they went and crowded the house to the walls, quite a number going home being unable to gain admittance, every town and neighborhood in a radius of ten miles being represented. Big Dr. Bowman and others represented the good town of Tollesboro. Forest Lee, Charley Stevenson, Win Bowman and Harry Dobbins furnished the music which was O. K. Prof. Tom Pollitt and scholars did themselves proud, not making a single balk from start to finish. The children deserve much credit for the interest they have taken in helping to pay of a debt that was against the church. Now let the old folks help them buy an organ for their Sunday school, and everybody will feel better. The entertainment closed with Charley Stevenson singing the beautiful song, "Sunny Tennessee." The proceeds were about \$20.

Just as we met a couple of young men last Sunday evening opposite the residence of John Wells a large peacock was concealed near the Batteries-Philippi and O'Connor; Nops and road in the wheat field. The bird gave a loud ery or two and one said to the other, "What the d-l is that?" "Don't know," said the other. "Stop and let's see." Actually the boys were badly scared as their eyes growed big while the hair stood almost straight on their heads as they looked for the varmint.

The Sunday school at Plumville is doing well. It has grown in interest and numbers each Surday since it was organized. Officers, teachers and children, it is now sixty strong, which we think think is pretty good for a country school. Nothing will be left undone to make the school interesting during the next quarter and every child, young lady and young man and fathers and mothers is cordially invited to come out next Sunday evening at 3 o'clock. Clean house, good order, good singing and good lessons is its
